## BUILDING CONSULTANTS LICENCE INFORMATION

Attached is an extract from a the Law Society Journal, March 2004

"Building consultants who carry out pre-purchase inspections of residential properties in New South Wales are now required under the Home Building Act 1989 to be licensed, effective 1 January 2004.

Building consultants' licence information can be viewed on the Home Building service online licence check facility at the Office of Fair Trading website [www.fairtrading.nsw.gov.au/building/](http://www.fairtrading.nsw.gov.au/building/) or contact the service on 1300 554 668 for further information."
